**TAN SU-LYN**  
DIRECTOR  
ATE MEDIA PTE LTD

The Miele Guide is the first authoritative and independent restaurant guide to Asia's finest restaurants. This annual publication will evaluate restaurants across the region, publishing an annual ranking of Asia's top 20 restaurants, as well as profile the other best restaurants in Asia.

Miele, as the main sponsor of this guide, does not exert any influence over the selection and judging process that determines which restaurants appear in The Miele Guide.
